

12/04/19 Astro Club Minutes

The meeting was opened by President Shirley Chorney about 7PM.  
Guests and new members were introduced.

Program Committee Member, Fred Mills, introduced the speaker by reading her professional biography. The speaker was Dr. Tamara Rogers of the Lunar and Planetary Laboratory at the U of A. Her talk was titled "Sounding the Sun".  
Thee Treasurer, Jan Cratty, reported \$549.55 in the treasury.

Project Astro Facilitator, Harland Goertz announced a May 3 trip to the U of A campus with about 170 students from Coronado K-8 school to visit the U of A observatory. This expedition needs 2 more chaperones.

Project Astro Leader, Bob Cratty reported that Project Astro students will have a star party on April, 27 at Coronado School.

Program Committee Member, Paul Chorney, reported that the speaker for May will be Dr. David Sattinger, a visiting Professor of the U of A Dept. of Mathematics and Docent at Kitt Peak. His talk is titled <sup>3</sup>Naked Eye Astronomy, Part 1: The history of naked eye astronomy from the Babylonians through Kepler.

Fred Mills read the slate of officers for the coming year. He asked if there were any nominations from the floor. There were none. Paul Kuehl moved to accept the nominations and Jo Mills seconded the motion. The nominations were approved by a unanimous vote. Sharon was informed of the class available for those writing the Tipster announcements

The new officers are:  
Bob Mc Phearson, President, Paul Sobel, Vice-President, Sharon Hertle, Secretary, and Alan Parkes, Treasurer.

The meeting adjourned about 8PM.

Respectfully submitted by  
Jo Mills, Recording Secretary.
