First let me say I am very happy to join The Views team. I spent 6 years serving in the U.S. Navy before attending college. I attended New Mexico State University where I played on the golf team and graduated from the Professional Golf Management program. I worked at several golf courses while in collage as part of the cooperative work experience part of the program. I am married with a 9 year old daughter who, as I am sure you are aware, is a full time job in and of herself. I have been in Arizona for about 15 years now working at Omni Tucson National Resort and The Desert Mountain Club prior to landing at The Views. I look forward to meeting all of you and getting to know you.
