SCVCAI'S governing documents include the Master Declaration of Covenants, Conditions and Restrictions (CC&R's), individual tract declarations, SCVCAI Articles of Incorporation, SCVCAI Bylaws, SCVCAI Architectural Development Standards and the SCVCAI Rules & Regulations. Copies of these documents should have been presented to each homeowner at the time of purchase through the escrow agent and most can be found on our website..

The Board of Directors must set certain requirements for use of the facilities according to these governing documents. To accomplish this purpose, the Board is granted authority to adopt, amend, or repeal rules and regulations as it deems appropriate.

While all residents are entitled to use and enjoy the facilities, they must respect the rights of others while so doing. Courtesy, consideration and common sense must prevail in all facilities and common property to provide for the safety, convenience and enjoyment of all residents and their guests.

First, every owner is expected to ensure all landscaped areas are kept neat and well maintained at all times. Should there be questions about owner obligations, or for additional information, please refer to the Declaration of Covenants, Conditions and Restrictions, and the Tract Declaration received upon the purchase of the home.
